

There'll Be a Concert in the Park

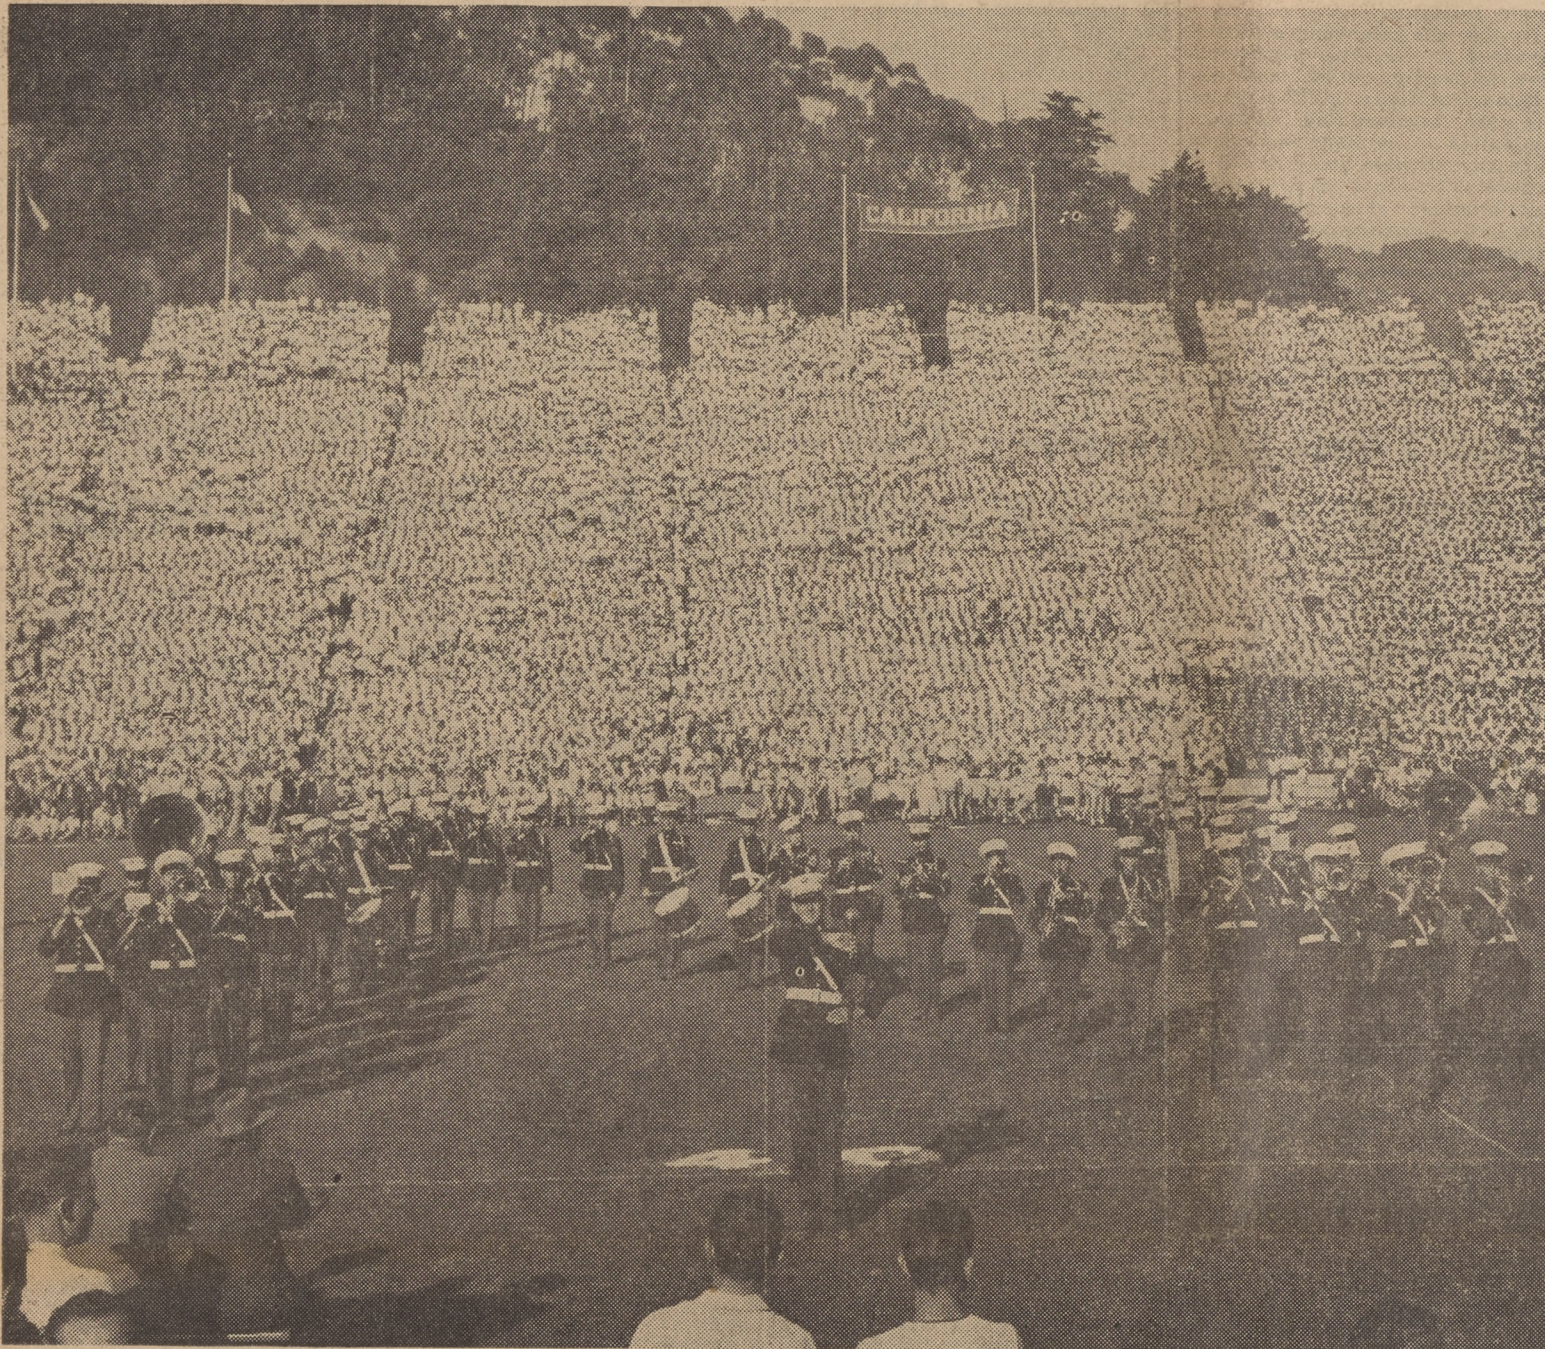

ORINDA SUN

Formerly Boulevard News

VOL. VI, NO. 23

LAFAYETTE — ORINDA CALIFORNIA — FRIDAY, JULY 23, 1948

5 cents

HERE'S THE U. S. MARINE CORP BAND — The Pacific Coast's most colorful musical outfit and considered one of the best in the nation — as it appeared at the Cal-Navy game in Berkeley last fall. The Marines will be featured in the Concert in the Park at Acalanes August 5.

Jim Keilty Chosen as Dramateur Director at Executive Meeting

The Orinda Dramateurs at its Executive Committee meeting on Monday, selected Jim Keilty as the director for the coming theatre season.

Being considered for the next production are one of two three-act mysteries, "Ten Little Indians" or "The Mystery of the Whispering Bell."

The final selection by the group will be made sometime in the next week. When the choice is made, the group will start preparing for the production, to be presented early in November.

The cast for the new play will be determined by arranged tryouts with the possibilities of presenting new faces in Dramateur presentations. The tentative location for

presentation will be Acalanes, if and when approval is given by the school.

Orindans, Inc. Cancel Meetings During Summer

The Orindans, Inc. at its last meeting in June voted to dispense with all scheduled meetings for the rest of the summer. The next regular meeting is set for the first Monday in October.

With many of the members on vacation, attendance is small at summer meetings.

New 3c Stamp To Be Issued

Stamp collectors will be interested in the fact that the Post Office Department will issue the following stamps on July 31, August 2, and August 9.

July 31, 1948 through the Emporia, Kansas Post Office in honor of William Allen White, The William Allen White 3c Commemorative Stamp. August 2, 1948 through the Niagara Falls, New York Post Office to mark 100 years of friendship with Canada, The United States-Canada Friendship 3c Commemorative Stamp. August 9, 1948 through the Frederick, Maryland Post Office in honor of Francis Scott Key, The Francis Scott Key 3c Commemorative Stamp.

First Day Covers may be obtained by sending in an envelope addressed to the Postmasters of the issuing offices, self addressed envelopes with a postal note enclosed to cover the cost of the postage. The number of self addressed envelopes must not exceed ten (10).

Potter Family Enjoys Trip

Among the many Orinda trekkers to the mountains and National Parks was the Potter family.

With dad Ralph at the wheel they motored 2073 miles over a period of three weeks. Going north, they stopped for a visit with Mrs. Potter's mother at Spokane.

In places along the Columbia River, the highway was still under water and detours had to be made. Their sightseeing included Yellowstone Park, the Grand Teton and backwoods country now a refuge for 10,000 elk and other wild life including hundreds of too friendly bears.

They reported much snow on Mt. Lassen and during their trip there were many unwelcome showers.

Canyon To Hold Fire-esta Fete

The Canyon Volunteer Fire Department is going to hold a Benefit Fire-esta at the Canyon Inn July 31 at 8 P.M.

There will be dancing, games and refreshments. They are also giving away a DeLuxe Mixmaster. "A good time is planned for all, so come early and stay late," says the committee.

No admission will be charged.

Barber Shop Quartet Sings at Petaluma

The Orinda Barber Shop Quartet entertained at the County Fair in Petaluma last Saturday.

Members in the newly formed group were Bummy Bumgarner, Bill Courtright, Mike Murphy and Monte Murphy.

OPEN HOUSE GIVEN

Honoring Mr. and Mrs. Frank Cinollo of Orinda on their 25th wedding anniversary, their three children gave an open house in the Walnut Creek home of Mrs. Madelyn Sanborn.

The affair for almost 200 guests was presented for the parents by Mrs. Sanborn, Mrs. Edwin S. John of Lake County and Frank Cinollo Jr. of Orinda.

Swimming, Dance Planned for Oak Springs Party

Swimming contests at the pool in the day, dancing at the Clubhouse at night and valuable prizes are on the program for the Oak Springs Annual Picnic to be held Sunday at the Oak Springs pool.

Prizes will include a \$50 portable radio. Betty Gordon's fruit bar will offer home made preserves. George Granter Jr. and Jane Buckle will be the Lifeguards of the Day.

On the committee are Mrs. Alice Granter, food chairman; Mrs. Mary Gray, publicity and Mr. Rechtent, games.

Tickets are 25 cents per person. For further information, call Mary Gray, Orinda 2846.

Farquars Move From Orinda

Residents since 1935, Mr. and Mrs. Harold Farquar and sons, Morley and Dean, have recently moved from Orinda.

Mr. Farquar has been employed as the District Superintendent of Schools in the newly organized Southern Humboldt Unified School District. The district includes 19 elementary schools and a high school serving some 1600 square miles of territory immediately north of the Mendocino County line. The Farquar family will reside in Miranda, Calif.

Mr. Farquar was previously employed by the Oakland Public schools where he served as a physical education teacher at Claremont Jr. High School and in recent years served on the staff of the superintendent of schools as assistant director of the building program.

Mrs. Farquar is the daughter of Mr. and Mrs. E. A. Norton of Miner Road. Their sons, Morley and Dean, have been attending the Orinda elementary school.

Famous San Diego Marine Corp Band To Be Featured at Community Concert

It'll be a "Concert in the Park" on August 5 — featuring the famous San Diego Marine Corp Band, plus a few spots of local musical organizations.

THE PLACE: Acalanes football field. THE TIME: 8:15 p.m., Thursday, August 5.

THE SPONSORS: Orinda Lions Club, Orinda Sun, Lafayette Lions Club, and Lafayette Sun.

There'll be no admission. It will be an excellent program, presenting one of the West Coast's finest musical organizations, the San Diego Marine Band, and several variety numbers by Lafayette and Orinda musical talent.

Already scheduled is the Orinda Barbershop Quartet and Chorus, which are steadily gaining recognition as a mighty good musical aggregation.

THREE ORGANIZATIONS

The 50-man Marine Corp band is not only tops in martial music, but within it are two other combinations — the "Halls of Montezuma" orchestra and the "Little Club Orchestra."

You've probably heard both orchestras over the radio in the program "The Marines Are on the Air." If you haven't, you'll have a chance at our very own Concert in the Park.

The Montezuma orchestra boasts of a talented string section which will offer a contrast to the march music of the entire organization.

SWEET AND SWING

And if it's sweet and swing that

An Idea Is Born And How It Soon Materialized ...

The idea recently discussed in Orinda and Lafayette of a community gathering some summer night to hear a musical program has materialized with today's announcement of the scheduled "Concert in the Park."

Residents of Lafayette and Orinda and their friends are cordially invited to attend by the sponsors, the Lions Clubs of Lafayette and Orinda, and the Lafayette Sun and Orinda Sun.

The Sun's roving reporter picked up the idea one day while making his rounds and so he quizzed a handful of people about it. Comment was favorable.

THEN, AN EDITORIAL

Two weeks ago the idea was tossed about in a Sun editorial, "What Do You Think," which ended with:

Well, the seed of an idea we have; the meeting is open to further comment by individuals and organizations. May we hear from you?

After a few conferences, confabs and what have you, a Concert in the Park was born — jointly sponsored by our Lions Clubs and community newspapers.

THE MARINES LAND

Meanwhile, Capt. James D. Jordan, who lives at 174 Orinda Highway, Orinda, mentioned one day that the Marine Band would be in the Bay Area early in August. Capt. Jordan is a Marine Corps Public Information Officer, for recruiting.

Capt. Jordan had read the original survey interview article in the Orinda Sun.

A request to the General to keep the band here several extra days so that it could play for the Concert was approved.

This, of course, is only part of the story ... the rest is in the making.

Medalist Tie Played Off

The medalist tie-up of the recent Country Club Invitational Golf Tournament was played off last Sunday.

Tal Smith and Ronny Patten went at it hammer and tong after they were tied up with a 69 in the main event. The final outcome of the medalist match resulted with a score of 72 to 74 in favor of Tal Smith.

The reasons given for this delay in playing off the medalist tie-up was just one of those things of not being able to get together. The paradox of the whole situation was that both medalist contenders were eliminated early in the match competition.

Rev. Buckham to Officiate Here

The combined Sunday Schools and church services of the Orinda Community Church will begin at 10 o'clock Sunday morning, Rev. Sidney H. Buckham, D. D., director of extension and acting superintendent of the Northern California Congregational Conference, will tell the children a story in the first half hour.

And when the children leave for their classes, he will preach the sermon and conclude the adult part of the services.

you like, just wait for the Little Club Orchestra — led by T/Sgt. Kenny Marshall, an outstanding clarinetist.

There you have it — one of the West Coast's oldest and definitely the most colorful military musical organization presenting a well-rounded program of sweet and swing, marches, semi-classical and classical music.

All this plus some good old barbershop harmonizing, the same music that is sweeping the country. Recently thousands upon thousands of people crowded into the San Francisco Auditorium to hear Barbershop Quartets from all over the area.

APPLAUD OUR BOYS

And our Orinda singers received the greatest ovation. Precedent was broken to bring them back on the stage for an encore. At the Concert in the Park in two weeks, the Barbershop chorus will be featured.

Several other local numbers will be announced next week.

The Marine Band has gained widespread popularity in its many appearances from Portland's

Sounds Like Fun ...

The Concert in the Park will be on the football field at Acalanes High School ... toss out a blanket and lie on the lawn ... that's what most of us will do. Or if you wish, you may grab a seat in the bleachers.

It's just a community get together, not a style parade, so wear what you wish ... just so you're comfortable.

If you're late, that's okay ... or if you arrive way early in time for a swim at the plunge, that's all right, too. Just come and bring the family and have a good time. ...There's plenty of parking space.

famed Rose Festival to Mexicali, Mexico. It has been acclaimed for its musical perfection at the Monterey Centennial, Sonoma County Fair, winning the Grand Award at the All-Western Band Review, 1946-47 and first prize plaque at the National City Sports Jubilee, the same year.

You may remember it at the Navy-Cal game in Berkeley last year. Its popularity is attested by the fact that from October 1, 1946 to now the combined units have played over 535 engagements, including parades, guard-mounts, dances, entertainments, broadcasts etc. to an estimated audience of 674,850.

Andy Blalock Named Editor

Andy Blalock was named as the new editor of the "Orinda News," official newspaper of the Orinda Association, at the organization's meeting Monday night at the Fire House.

Mr. Blalock succeeds Herbert Hauser who had agreed to serve as editor of the "Orinda News" on a temporary basis until a successor could be appointed. A combined July-August issue of the paper will be distributed next month.

A report on the progress of the Orinda zoning ordinance was made at the meeting. The Planning Commission is working on Orinda Zoning and hopes to have a tentative ordinance set up in the near future, Clarence Betz, said.

The documents for transferring the community center property from the East Bay Municipal Utility District are now in escrow, Mr. Betz reported.

Mason Case, Local Subdivider, Died Last Week

Well known and loved in Orinda, Mason Case, subdivider, died Tuesday, July 13 at the age of 68.

The funeral took place in Oakland with burial in Corning, California at a family plot.

A resident of the Bay Area for the past 40 years, Mr. Case subdivided Moraga Park in 1941, Moraga Gardens Unit 1 in 1945 and Moraga Gardens Unit 2 in 1948. He carried on his Orinda business transactions in the office of the Lewis and Massie Realty Company in Orinda.

He completed other subdivision work in Southern California, particularly in Los Angeles, and in Palm Springs, where he did pioneer work.

He is survived by his wife, Laura P., his son Mason Case Jr., and his brother, Alexander Case.

A member of the Bohemian Club in San Francisco, Mr. Case was a 32nd Degree Mason. He graduated from Stanford in 1906.

Phone Co. Says Unable to Follow Order

(Editor's Note: Several weeks ago the Sun published parts of what we considered a precedent-making decision of the State Utilities Commission ordering Pacific Telephone and Telegraph Company to reduce its annual license fee payments to its parent company, American Telephone and Telegraph Company. The decision, in addition, ordered P.T. & T. to reduce its payments for equipment furnished by Western Electric, another A.T. & T. subsidiary.

P.T. & T. answered these orders in a memorandum to the Utilities Commission, from which the following material was taken. The material was furnished by Robert Horst, manager of the district phone company office.)

That the Pacific Telephone and Telegraph Company is girding for a battle — in the courts, if necessary — with the California State Utilities Commission is evident in the company's answer to the Commission's rulings of last April.

The Commission directed the telephone company to submit a plan reducing the license fee paid A.T. & T. so as not to exceed a charge of \$1,850,000 per year for California operations, instead of

the nearly \$3,000,000 paid in 1946. To this the telephone company answered:

The company has always considered the license contract a fair contract. After negotiations, the American Telephone and Telegraph company would not agree to a reduction since its costs exceeded the amount paid by P.T. & T. for services rendered, nor would it consider a new plan for determining the annual license fee.

A LONG TIME

"The license contract, as modified from time to time, has been in effect since 1880 . . . and results in better service at lower cost than any other method. The contract services are indispensable and would be very detrimental to the company and to the public if it were terminated."

The Commission is without jurisdiction to make such an order.

But "the company does emphasize its desire to find a common ground with the Commission, if possible, and to that end will be glad to work with the Commission either informally or in a formal proceeding."

Further, since A.T. & T. has agreed to discuss this same license

fee problem with the National Association of Railroad and Utilities Commissioners, P.T. & T. asked that the Commission defer any further consideration of this for the time being.

DOMINATING?

The Company also referred to the Commission's statement that "the so-called license fee is . . . not a contract or agreement but is in essence a directive . . . imposed upon . . . by the American Company. We further find that the payment . . . is arbitrary, unreasonable and unjust and . . . abuse of intercorporate relations."

To this the telephone company answered, ". . . these statements have no bearing on the point under consideration . . . The recent rate case involved no issue of domination . . . no issue was raised as to any possible abuse of intercorporate relations and no evidence whatever of such abuse was before the Commission. The fact is there is no dictation or domination by the American Company in the affairs of the Pacific Company."

The Commission ordered P.T. & T. to reduce payments to the very minimum for equipment purchased

from Western Electric Company and to review past charges.

'ALREADY REDUCED'

The company answered, ". . . that Western Electric's prices have been and are reasonable. The Company has received the benefit of substantial price reductions from Western Electric since the beginning of 1948 . . . 5 per cent effective January 1 and about 3 1/2 per cent effective June 1. The level of its prices now is about 16 per cent above the '35-'39 average, whereas, according to U. S. Bureau of Labor Statistics, prices for all manufactured products are 74 per cent higher."

The Commission ordered the phone company to reduce the cost of temporary financing to competitive levels.

P. T. and T. stated that it considered the interest rate of "2.75 per cent paid to the American Tel and Tel as reasonable" . . . But has authorized borrowing from banks on short term notes at interest costs less than 2.75 per cent.

On these and other issues further hearings will be held, according to an announcement by R. E. Mittelstaedt, chairman of the Utilities Commission.

Captain Sandford Sez:

A new menace on the State Highway . . . or an old one vastly accentuated!

Heavy dump trucks weaving their way out and in amongst the congested traffic at very high rates of speed. This is a very dangerous and idiotic practice and should be stamped out now.

Our area keeps attracting many interested persons from other parts of the world. I am astonished that many of these people know much more about our land values than I do.

I suppose distance lends something in the way of precise information presumably from the ether.

Reminds me of the old days when folks quibbled about Happy Valley at \$350 an acre. Try and get an acre in Happy Valley now for even Four Hundred dollars!

Drove to Martinez this morning and saw enumerable new homes springing up on every hand . . . good indications for the future.

Somebody some time is going to fill one of two long felt wants in this area . . . a nice hotel and an apartment house.

Many years ago I was a member of a committee which worked hard, industriously and successfully to secure bus service for this area. The other morning I saw four Greyhound buses endeavoring to park in Lafayette at one time. We sure are growing up.

I heard a radio announcer who calls himself Foreman Bill make this statement during the Republican convention at Philadelphia . . . surely a gem of wisdom . . . "The Republicans have practically worn themselves out listening to each other."

County Council of Improvement Clubs Names Pedder Vice President

Robert Pedder, representing the Lafayette Improvement Association, was named vice president of the recently formed Contra Costa Council of Improvement Clubs at the group's meeting last week in Walnut Creek.

Acting chairman of the group during its formation, S. D. Bush of the Clayton Valley Improvement Association, was named president.

Charles N. Perry of the Pleasant Hill Improvement Association was chosen for the combined job of secretary-treasurer.

Member improvement associations comprising the group at present are Lafayette Orchards, Lafayette, Glenside, San Ramon, Mt. View, Pleasant Hill, and Clayton Valley.

The group plans to meet the second Monday of each month.

Formation of standing committees including highways, zoning, water, membership, by-laws, finance, taxation, recreation and legislative, is the order of business for the next meeting.

ATTEND WEDDING

Phyllis Petersan of Upper Happy Valley Road and Mr. and Mrs. Stanley Warburton, former principal of the Acalanes High School, and his family attended the wedding of Janet Vidal Loomis of Long Beach and Kenneth (Pat) Rosenthal held in Long Beach.

Drive carefully — save a life.

Assessed Value Of Property Up

It was reported by County Assessor Justin Randall that the assessed valuation of property in Contra Costa County has jumped 30,775,920 over last year's valuations to make it the greatest increase in the county's history.

The new 1948-49 assessment rolls set the new valuation in the county at \$254,556,100. Of the gain, \$22,654,280 was from property assessed by the assessor's office while the estimated assessment by the Board of Equalization showed a gain of \$7,921,640.

The gains in the three cities of Martinez, Concord and Walnut Creek clearly showed the growth of the communities with Walnut Creek far in the lead. The increases were: Walnut Creek, \$982,350; Concord, \$744,270; and Martinez, \$295,065.

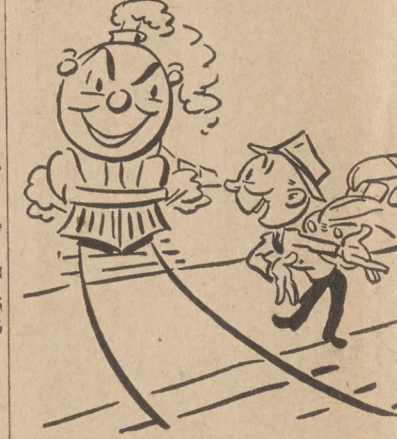

Assessor Randall stated that exact figures could not be set at the present time because the final tabulation of the Board of Equalization had not been filed yet. He said that the final figure would not vary much from the given estimate. There were also heavy gains in exemptions because of

Mr. and Mrs. H. Wm. Werner of Dewing Avenue entertained friends, Mr. and Mrs. George Vaspar of San Anselmo at a barbecue last Sunday. On Tuesday, Mr. Werner and his son Bobby made a trip to Carmel to visit Bobby's grandmother, Mrs. E. K. Werner.

veterans purchases of homes and taking advantage of the exemption of the first \$1000 of assessed value.

Group Supports Petition for Vote On Hospital Here

The Board of Supervisors Special County Construction Program Committee last week decided to start circulation of petitions thru-out Contra Costa County which would place the proposal to form a county-wide hospital district on the November ballot.

The conference was called by James D. Ryan, chairman of the group which made recommendations for a long-range county construction program. A majority of the eight members of the committee, now disbanded, attended the conference.

They agreed to work as individuals in an attempt to interest representative residents of all sections of the county. About 50 men and women who will circulate the petitions are now available.

To place the proposal before the voters in November, petitions must have the signatures of qualified electors totaling at least 15 per cent of the number of votes cast in the county at the last gubernatorial election, or about 7500 names. A much larger number of signatures than 7500 is the aim. Members of the special committee were Ryan, chairman, of Martinez, C. E. Fleager of Orinda, Dr. L. H. Fraser of Richmond, Sam Herrod of Rodeo, W. B. Kelly of Pittsburg, Charles B. Weeks of Brentwood, and Warren Harrold of Orinda.

Increase of Over \$4000 Reflected In P. O. Receipts

An increase of over 4000 dollars in receipts at the Lafayette Post Office during the first six months of this year as compared with the similar period last year was reported today by Amelia Schutt, Postmaster.

The receipts for the period from January 1948 to June 1948 totaled 20,018.78 as compared with \$16,188.99 for January 1947 to June 1947.

"People seem to be taking more interest in the community and are purchasing more stamps here," Miss Schutt explained.

Receipts for the past ten years reflect the tremendous increase in population in the area:

1941	— \$ 9,967.79
1942	— 12,499.65
1943	— 15,513.44
1944	— 18,127.10
1945	— 19,416.80
1946	— 29,125.55
1947	— 39,005.36

MOVING SOON

Mrs. Schaefer and family, Raymond, Betty and Joyce have been busy the past few weeks remodeling, painting and decorating their future home located on Brown Avenue. The Schaefer's expect to occupy the residence about the first of August.

VACATION TRIP

Forrest Honnold and family enjoyed a motor and "camping along the way" trip to Crater Lake, Mt. Lassen and Lake Tahoe. They had 2003 strenuous miles of motoring, but still fun on this vacation trip.

IN NEW YORK CITY

Mrs. Sam Dickie is on a six-weeks trip to New York City. She will return sometime in August after visiting her mother and friends. Richard has just returned from Scout camp.

via Pan American Airways for three weeks. They will return home by boat. Mrs. Joslin's brother and his wife, Mr. and Mrs. Charles Pease, went with them.

MOVING TO ORINDA

Fred Monson, having sold his home in Oakland, will move into the Pittman's home on Orinda Highway by August 1.

ATTEND CONFERENCE

Mrs. George Hartzell Sr. and George Hartzell Jr. attended the dental conference in Salt Lake City last week. They had an exhibit of dental equipment.

CELEBRATES BIRTHDAY

Louise Clendenin celebrated her tenth birthday by inviting a few of her friends to a picnic in Tilden Park and a ride on the Merry Go Round. She is the daughter of Mr. and Mrs. R. M. Clendenin of La Cuesta.

TEMPORARY HOME

The Jack Snows bought a new home which is now being completed on Davis Road. They will live there until their new home in Sleepy Hollow is finished.

AT MOTHER'S RANCH

Miss Lisabeth Gray closed her Village Baby Shoppe over the weekend of the Fourth to visit her mother's ranch in Lake County.

BUILDS OWN HOME

Lee Center, contractor, is starting his own home on Hilldale Court.

TO LIVE HERE

Eugene S. Jones and family are building a new home on Moraga Court. They are now living in Berkeley. Mr. Jones is a member of the F.B.I.

RUSHED TO HOSPITAL

Mr. and Mrs. King Wilkin's little boy was rushed to the hospital recently to remove something the boy had swallowed.

Your Garden

IN LAFAYETTE AND ORINDA

BY
CONSTANCE HANSEN

As far as I'm concerned anyone who wants July, August, and the first two weeks in September is welcome to them — I'll take February, March, and November, but some people, like some plants, thrive on hot weather. Most of the herbs belong to the category and many of them are decorative even if you don't care to use them in cooking.

Not only do they grow and flourish in hot weather in full sun, but they develop more fragrance where it's hot and dry. The lavenders come first to mind, since they are blooming now.

The common old-fashioned one is Lavandula vera, which is handsome in the flower border or as a corner plant. L. spica is very similar but not so tall and is good in the rock garden.

FOR ROCK GARDEN

Another one for the rock garden is L. stoechas, which has darker purple flowers with the top one of each spike large and cup-shaped. Still another purple flowered one is L. dentata, with pinnate leaves. Lavenders are made to grow more bushy by pinching the tips of the growing branches.

There is even more variety among the thymes, most of which are suitable either for edging or ground covers and all of which are useful in the rock garden. The one known as "mother of thyme" is Thymus serpyllum and it has many varieties both prostrate and bushy.

The creeping ones have flowers varying from white through pink to deep wine red and are most attractive growing over rough rocks, since they follow the contours of the rock, and when in full bloom it is as though waves of tiny flowers were foaming over the unevenness of the rock.

TALLER ONES

Among the taller forms are the lemon thymes, one with silver-variegated leaves, and another with bright green leaves with golden markings. The "common thyme" is also bushlike, and when in full bloom in the spring is like a miniature tree covered with small lavender-pink flowers. Thymus Broussonetii is a tall-growing thyme with larger flowers than the other species.

Rosemary is a medium-sized shrub which will grow up to three feet or slightly more, and is one of the characteristic flavorings we notice in chicken seasoning. It is a gray green bush and produces a profusion of pale blue flowers very early in the year. I like the dwarf rosemary, since it has the same fragrance, but has green leaves, and is very good growing over rocks, throwing out graceful sprays of foliage which root as they go along. The flowers make more of a show on this form.

As an experiment, I've planted some in pockets on a rough bank to see if it will make a good groundcover.

HERE'S HYSSOPUS

Another herb that is pretty enough for the flower border is hyssop, Hyssopus officinalis. It can be kept tidy by shearing when it is through blooming. The flowers come in rose pink, white, and a bright purple-blue.

Then there's the rose marjoram, Origanum vulgare roseum, which seems not as well known as one might expect. It has soft grey woolly leaves in a basal cluster,

and foot-tall flower stalks, which are quite showy because of the bright rose color of the flower bracts. The furry leaves turn rosy in the fall.

The ordinary sage, Salvia officinalis, is pretty in leaf and in flower, and can be kept compact by pruning, but there is a much more ornamental variety.

It is the variegated form, which has pink and white and green leaves, and is dwarfier growing than the type. It is said that the sense of smell varies greatly from one person to another, something that smells good to one, may smell horrible to another, and the well-known rue, Ruta graveolens, affects me this way. It has attractive grey foliage and chartreuse flowers, but I've never been able to understand how anyone could have the slightest desire to smell it.

There are quite a number of plants which we may not usually think of as herbs, but which at one time were used for various remedies or potions, and which can thus be included in an herb garden.

AND OTHERS

The elder tree is one and could well be used to shelter herbs which prefer shade and moisture, such as the mints. According to an old Danish folk tale, a person standing under the elder tree on a mid-summer night's eve would see the King of the Fairies ride by with all his court!

Another plant we might not think of as an herb is the elgantine or sweetbrier rose, Rosa rubiginosa, whose foliage gives off a refreshing clean, sweet smell when bruised or sprinkled. Once planted, it takes care of itself, needing only to be thinned out occasionally or removed when it comes up where it isn't wanted.

AN ANNUAL
I'm very fond of borage, one of the annual herbs, because of its sky blue star-shaped flowers. All you need to start this in your garden is one plant and from then on you will always have at least a few self-grown seedlings year after year. It grows and blooms the year around and the flowers are pretty frosted with sugar, as one does with mint leaves, or floated in ice tea.

There are many books on the subject of herbs, since the history of their use is as old as any historical records we have of man himself. A great part of the rascination of herbs lies in their association with the folklore of bygone times. Of the books about herbs that I have read, I most enjoyed "Herbs and the Earth" by Henry Beston. Among other things he has this to say of them: "Lovely and timeless, rooted at once in gardens and in life, the great herbs come to the gardener's hand our most noble heritage of green".

Lafayette Wins a la Horatio Alger

The Lafayette Merchants came through with a Horatio Alger finish July 14 to defeat the Walnut Creek Legion in an overtime affair 6-5.

The game was a pitchers' battle all the way with the regulation seven innings finding the score 0-0.

In the first half of the eighth the Legion combined hits and errors to bring five tallies across the plate.

A HOMER

The Lafayette team pushed across two runs before making an out then with two down and the bases loaded Big John Cossu swung a heavy bat that sent the ball over the head of Tom Olson deep in centerfield for a home run and the ball game was all over.

The win keeps the Lafayette club in top spot for second half honors with Tinys Hut, El Rey and Stans Brickhouse in a three way tie for the second spot.

COMING GAMES

Games for the coming week: — Friday: Lassies Exhibition, American Legion Exhibition.

Monday: El Rey vs Lafayette; Sheriff's Office Exhibition.
Tuesday: Arthurs vs Herbs; American Legion vs Tinys.
Wednesday: Service Club Night.

Tunnel Motors 9 Cops Two Games

The Tunnel Motors baseball team, composed of outstanding young baseball players of the area, won two games the past week, defeating a strong Oakland Police league junior All Stars 7-4 and the Santa Cruz Legion 10-7.

The Police game was played at Oakland's Bushrod Park last Thursday while the Santa Cruz tilt was played Saturday at Santa Cruz.

JOHNSON ON MOUND

Dave Johnson did some outstanding mound work when he relieved Jim Powell in the fourth with the bases loaded and none away.

He whiffed the next three batters in apple pie order and went on to limit the Ocean City boys to two hits and set down five more via the strikeout route to give him eight for the four innings he worked.

FOX TRIPLES

Bob Fox hit a triple to aid in the runs scored column and fatten his batting average.

Next Saturday the team is scheduled for a second game at Santa Cruz and have other tilts scheduled at Stockton, Sacramento, and Reno in the near future.

FROM THE SIDELINES

By Coach Erwin Mattson

The recent arrival at Acalanes High of blocking dummies brings to mind once again the approaching football season.

Blocking dummies are made of heavy canvas and are stuffed with a filler, such as rags, sawdust or wool with the latter considered the best due to its natural resiliency.

The bags are put to use in blocking and tackling drills rather than using "line bait".

ADVANTAGES NAMED

They have several advantages over using other players. In the first place they remain stationary and, of course, it prevents injuries to line players.

Another important factor is that a player will go wide open against a dummy whereas he tends to ease up on a member of his own squad.

At the present writing it appears that more than 125 candidates will be on hand when September 1 rolls around. Players who have made a varsity or junior varsity letter or have records of athletic ability will be in suits for the opening night.

GRID TESTS

Freshmen and others out for the first time will tune up in gym suits and go through a series of tests to be conducted by the coaches.

Tests will consist of sprints for time, general agility and strength drills along with ball handling. New candidates will be issued suits on a basis of their rating which will be a composite point system.

NEW DIABLO COACH
We read where Diablo appoint-

ed a new football coach recently. His name is Francis and claims San Francisco State as his Alma Mater.

Recently released from the service, he is scheduled to be on hand for the opening date.

A new coach always causes considerable stir among the rest of the league as everyone wonders what type of play he will install, the defenses he will use along with the bag of tricks he may bring with him.

The Legion Junior Baseball League recently completed its schedule only to have the season extended when the Walnut Creek and Lafayette posts combined their best to form a top flight outfit.

THREE ON HAND

Local players on the team are Dave Johnson, Art Johnson and Bob Fox. All three will be back with the Acalanes varsity next year and their baseball experiences this summer will go a long way next spring to keep the Dons in the win column.

Bob Fox is set as a first baseman and is catching the eye of fans and coaches with his work around the initial sack.

Bob broke his hand prior to the opening of high school ball and was out for the season.

BEST AT FIRST

Legion ball put him back into the swing of things and he appears to have found himself at first base.

Last summer he roved in the outfield and lacked confidence at the plate. He has found his eye this year as he is pounding the ball well over the 400 mark and topped his season's performance with three for five against the Police All Stars in Oakland.

He bats and throws from the port side and possesses a strong and accurate arm.

He has three years of high school ball to go and will make a strong bid for the first base job at Acalanes next year.

SOME ORCHIDS

We haven't passed out the orchids for some time but today it's orchids to the parents of Art Johnson and Dave Johnson and Bob Fox.

The reason for the flowers is that they have and do take an active interest in their boys.

All are baseball fans and are on hand for a good percentage of the games. All three of these kids are tops in attitude and to us the parental interest deserves a great deal of the credit.

They are all on the right path and each will go a long way so once again we say thanks to the interest of mom and dad!

The law, as well as common sense, requires that drivers stop for school buses.

Girl Scouts Have Wonderful Trip to Camp; Their Schedule is Outlined

Diablo Valley Area Girl Scout Camp opened July 12 with the arrival of 84 Girl Scouts at Pfeiffer's Big Sur State Park which has been leased by this Council for the 1948 sessions. Big Sur is located 28 miles below Carmel in Monterey County.

The campers left Blackwood's Transportation in Lafayette at 6:45 a.m. and had an interesting stop-over at the State Monument at San Juan Batista below Gilroy. There the campers and Mesdames Wight Buckle and E. H. Fisher of Orinda; George Cockerton and Julius Loeb, Walnut Creek, adults who accompanied the girls on the bus trip, visited the mission, saw the fine collection of wagons and carriages on display there and other historical buildings and displays. Nose-bag lunches were consumed before the trip to camp was resumed.

Due to the late rains, the wild flowers on the hillsides bordering the ocean were at their height of color and variety. It was an unforgettable sight for the campers—the brilliant blue of the Pacific Ocean on their right and color splashed hills on their left the whole way down the coast from Carmel.

LARGE STAFF

The camp staff of unit leaders, their assistants, craft specialists, cook and her assistants, waterfront staff and general camp staff had arrived at the site on July 7 and completed an intensive four day pre-camp training course before the arrival of the scouts.

The campers are divided into four units depending on age (girls are eligible to attend established camp, as Big Sur is called, if they are Fly-Up Brownies or 10 years and up in age).

The first year campers are the Crickets, then come the Starlets, the Audubons, and the Buckeyes for the eighth graders and teenage girls. Camp provides, in the two week period, 336 hours full of

outdoor craft work, swimming, hiking, play and real camping.

BUILDS NEST

Each camper is paired with another, spreads her bedroll or sleeping bag out under the trees to make her "nest", lashes her dressing room material around convenient trees and is ready for two weeks of real camping.

Meals are prepared in central camp, generally by the camp cook and her assistants. Units take turns having Kaper duties in the kitchen area, such as preparing vegetables, waiting on tables and clean-up. Some meals are cook-outs away from central camp.

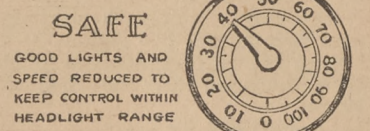

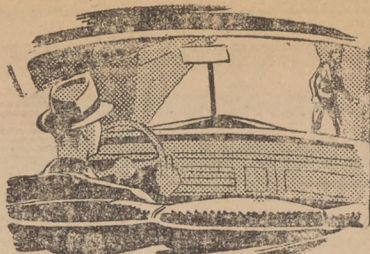

The campers now at Pfeiffer will remain until noontime of July 26 when the second session campers, 87 strong, will arrive. The first session girls will return on the buses which brought the second group down and will arrive in Lafayette at 6 p.m. on July 26.

NAMES LISTED

Campers attending the first session include:

Lafayette: Joanie Allen, Carol Lynn Baldwin, Nancy Brown, Sharon Brown, Marilyn Davis, Julia Dunn, Jean Galbraith, Dorothy Jensen, Karen Johanson, Bobbie Lewis, Elizabeth Lyser, Sally Pedder, Sandra Planz, Ann Seuberger, Jane Seuberger, and Margaret-Mary Welch.

Orinda: Jean Anderson, Joan Anderson, Mary Bowman, Betty Jane Buckle, Diana Bumgarner, Paula Cory, Barbara Jean Dawson, Diane Dawson, Patricia Dunningan, Peggy Everest, Leatrice Fisher, Sally Fleager, Sally Pat Freedman, Patricia Gardiner, Shirley Gee, Judy Glaberman, Joan Gordon, Sandra Gordon, Carol Louise Hall, Jane Waworth, Joyce Hudd, Tanis Hudd, Ann Kalbfleisch, Roberta Krotz, Rae Littlejohn, Sandra Meyer, Judith Murdock, Eleonore Neldam, Linda Pyle, Phyllis Pyle, Jane Rogers and Barbara Stark.

Record Crowd Attends Club Teeno Barn Dance Last Friday Night

A record crowd attended the first of the so-called "theme" dances given by Club Teeno at the Walnut Creek Veterans Memorial Hall last Friday night.

The hall was tastefully decorated by the club members themselves to simulate an old barn and, as always, dancing by candlelight was voted delightful by the host of teen-agers present.

Club Teeno, which is sponsored by the Boswell Studio of Music, will elect officers at the next dance on July 30. A hot race is expected for the presidency of the organization and campaigning for their favorite is occupying much of the teen-agers' time these days.

Signing the guest book were Misses Barbara Peak, Wanita Nelson, Mary Van Voorhis, Yvonne Massone, Earlene Alden, Bobbie Laing, Nickie Nicholson, Nancy Newbury, Hazel McCollum, Barbara Garrison, Marilyn Leath, Carol Barges, Nancy Carlson, Jackie Worden, Charlotte Maloyan, Rita French, Karen Altio, Jackie Swanson, Norene Nunley, Myrna West, Shannon O'Neil, Marian Miller, Carol Eaton, Pelsey Ratt, Joan McCrum, Sally Symons, Mavis Bahls, and Joan Siebert.

THREE BIRTHDAYS CELEBRATED

A family dinner-party in celebration of Mrs. R. Dahlberg's birthday, her son-in-law, Bud's birthday, and that of her grandson, Dale was held at her home on Walnut Street this week.

Clever place cards of paper lace with handkerchiefs concealed in them were on the table for each guest. A beautifully decorated cake and ice cream were served for refreshments.

Phone or write us your news: Orinda 2118 or P. O. Box 147; or Lafayette 4452 or P. O. Box 806.

will be held over an additional week, due to illness of one of the cast members. The new show (originally scheduled to have started July 26th) will now open on Monday, August 2nd, a week later.

Mrs. Russell Hufft, of the Junior Alliance has announced that her organization that was scheduled for July 26th, has been postponed to Monday, August 2nd.

Mrs. Russell Hufft of the Junior Alliance has announced that the Straw Hat theater party of her organization which was scheduled for the night of July

28th, has been postponed until the following Wednesday night, August 4th.

Holders of tickets for either of the two theater parties mentioned above, or other nights during the week of July 26 through July 31 have the choice of either coming the night of the tickets they are now holding and seeing the revue "NOTHING VENTURED — NOTHING GAINED"; or calling the Straw Hat Theater Box Office, Lafayette 3506 BEFORE the date on their tickets, to obtain exchange tickets for the new show "RHYME WITHOUT REASON."

1000 men rush expansion of P. G. and E.'s greatest power plant

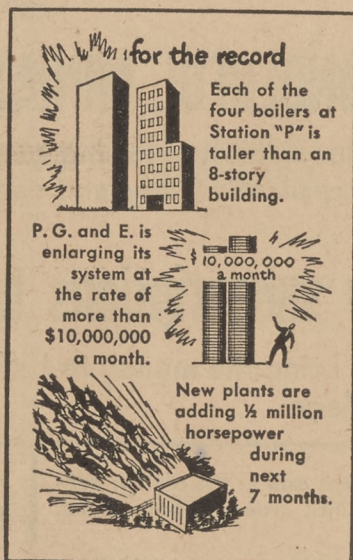

Near the lapping waters of the Bay at Hunters Point in San Francisco, P. G. and E.'s Station "P" is rapidly growing from a good sized power plant into a giant with an electric generating capacity of 360,000 horsepower. When the new power goes on the line this winter, Station "P" will be the largest generating plant on P. G. and E.'s vast system. And it's just part of our postwar construction program which is adding nearly 2,000,000 horsepower to our power supply.

We put salt water to work at Station "P": Two tunnels, six by nine feet, will pour 230,000,000 gallons of Bay water daily through the plant to cool the steam from the turbine-generators. That's nearly three times as much water as San Francisco uses every day.

When Station "P" hits its maximum output, it will produce six times as much electrical power as it does today. Still other plants, both steam and hydro, are on the way to provide more power for Northern and Central California homes, farms and factories.

Work never stops on our power-building program

New Topographic Map of Diablo To Be Prepared

The preparation of a new topographic map of the Mt. Diablo Quadrangle has been approved and work will start in the near future, County Assessor Justin Randall said this week.

This map is considered to be one of the most important in the state, according to the State Engineer who recently sent word to the County announcing the project.

This survey, the first since 1896, will provide the basis for new maps. Present maps, described as highly inaccurate, have been in use more than 42 years.

LARGE AREA

An area 14 by 28 miles, the Mt. Diablo Quadrangle contains 328 square miles in the central section of the county.

Maps of this area are used by geologists, geographers, highway engineers, soil conservationists, flood control engineers, fire districts, universities, state, county and federal agricultural departments and many other technical agencies.

'MOST IMPORTANT'

"The Mt. Diablo quadrangle is by far the most important of the six other quadrangles being resurveyed in this section of the state by the U. S. Geological Survey," Thomas Vanasek, chief land appraiser in the assessor's office, said.

Vanasek explained that we need new maps of the Mt. Diablo quadrangle more than all the others combined, from the standpoint of usefulness, because Mt. Diablo is a key mountain in California and the key to the geology of central California. All land surveys from Tehachapi north to the Oregon line, from the coast east to Utah, are based on Mt. Diablo.

The assessor's office requested the resurvey to be made on the basis of one inch for every 2,000 feet. The 1896 survey was made on a scale of one inch for every mile.

CHRISTIAN SCIENCE CHURCH

"Truth" is the subject of the Lesson-Sermon to be read in Christian Science churches on Sunday, July 25. The Golden Text is from Deuteronomy: "Ascribe ye greatness unto our God. He is the Rock, his work is perfect: for all his ways are judgment: a God of truth and without iniquity, just and right is he" (32:3, 4).

The following citations are included in the sermon:

Psalms: "Show me thy ways, O Lord; teach me thy paths. Lead me in thy truth, and teach me: for thou are the God of my salvation; on thee do I wait all the day" (25:4, 5).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Prayer cannot change the unalterable Truth, nor can prayer alone give us an understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth" (p. 11).

*** Fashions ***

You'll look your best while traveling in the crisp pique-trimmed cotton suit shown above as pictured in the April issue of Good Housekeeping magazine. Note the over-size pockets. Also in brown or green. In sizes 9 to 15, about \$18. Minx Modes. Dan River Cordspun cotton.

Robert L. Condon -- Big Game Hunter

Candidate for Assembly Robert L. Condon may have to go to Africa to bag a few elephants to counteract poor publicity on his recent hunting enterprise.

Since all good politicians don their sporting togs before the cameraman for free publicity, Condon thought he would try his hand at hunting.

He prepared for the big publicity in his Saranap home by setting traps in the chicken yard to catch whatever was making away with his chickens.

His catch — first night, a possum; second night, a possum; third night, a possum; fourth night, a possum — no, it got away; fifth night — well that's another story.

It seems that one fifth night he caught a great big racoon alive and he was stuck. The job of coping with it was too much for him!

He had to call in Eagle Scout Jack Osmundson to tackle the job. Campaign headquarters is now trying to figure how to counteract

Democrats Name John Garaventa County Chairman

John L. Garaventa was unanimously elected chairman of the Contra Costa County Democratic Committee at a meeting in Martinez Tuesday night.

Garaventa, Concord attorney, was nominated by Judge S. C. Masterson of Richmond, who has been chairman for the last two years.

MASTERSON AGAIN

Masterson was named vice chairman. Bert Goffey of Richmond was elected secretary to succeed Robert L. Condon, Democratic nominee for the state assembly from this district, and C. A. Ricks of Martinez was named treasurer.

Garaventa is in Philadelphia as a delegate to the national democratic convention.

The committee went on record as endorsing Robert L. Condon for the state assembly.

ENDORSE SHELLEY

The committee also endorsed John F. Shelley for appointment by the President to the post of secretary of labor.

An urgent plea for including

FATHER RECUPERATING

Mrs. Earl Bowbeer has returned from a short visit to the home of her parents, Mr. and Mrs. George A. Hall of Pennngrove, where her father had been taken seriously ill with pneumonia. Mr. Hall, who is 86 years of age, is recuperating and was allowed to return home last Tuesday.

VISITORS AT CARSONS

Mr. and Mrs. Delbert Carson and daughter were recent visitors at the home of Mr. and Mrs. C. H. Carson of Brown Avenue. Delbert Carson, brother of C. H. Carson, is from Fresno and the family is enroute to Washington and Oregon to spend a vacation.

repeal of the Taft-Hartley law in the Democratic platform was wired to Philadelphia by the central committee.

They also advocated adoption by the national convention of the civil rights report by President Truman, support of federal control of tidelands, and continuing development of the Central Valley Project under the direction of the Bureau of Reclamation.

The committee endorsed the 160 acre limitation, and urged extension of canals and transmission lines to provide Contra Costa County with cheap water and power.

Here and There in Orinda

SISTER VISITS

Mrs. Dorothy Montgomery, sister of Mike Murphy, is visiting with the Murphys this week. She will be here a week or ten days.

DAUGHTER VISITS

Guests of Mr. and Mrs. Don W. Badgley on Camino Encinas since June 17 have been Mrs. R. G. McCave and her daughter, Sharron, from Seattle.

FALLS DOWN STAIRS

Mrs. George Atey's little girl fell down the stairs and suffered a concussion and other injuries. She is only one and a half years old.

COMPLETES HOME

Mrs. Marion Pittman, local realtor, is completing her new home and will move in soon.

ROSENTHALS HAVE BABY

Mr. and Mrs. Sidney K. Rosenthal of 424 Manzanita Drive are proud of their new granddaughter, Michele, daughter of their son and daughter-in-law, Mr. and Mrs. Charles K. Rosenthal.

The baby was born July 1 at the Alta Bates Hospital and weighed 8 pounds. She also has a sister Laureal who is 1½ years old.

PLAN MOVE TO STOCKTON

The G. L. Harrisons have sold their home and are now house-hunting in Stockton where Mr. Harrison will teach engineering at the College of Pacific.

JAUNT TO CARMEL

Miss Anne Hazen and Miss Ruth Price are on another of their frequent jaunts to Carmel.

BITHER BABY ARRIVES

Lawrence Robert Bither, a 7 pound 9 ounce boy arrived July 5 at Alta Bates Hospital to gladden the home of his parents on Orinda Highway.

Mr. Bither is an ex G.I. and a student now attending Armstrong College. Mr. Bither's father is secretary of the Modesto Irrigation District.

He and Mrs. Bithers Sr. come often to Orinda to visit their son and wife. They too are quite proud of their new grandson.

AT SANTA CRUZ

Mr. and Mrs. Evert J. Phair spent 10 days at Santa Cruz returning last week end. Of course, Tommy, Johnny and Virginia accompanied them.

RECOVERING FROM ILLNESS

Mrs. Dick Graffis is now doing fine at home on Spring Ct. after her recent illness during which she was a patient at Merritt Hospital.

NEW DRAMATEURS

New members joining the Orinda Dramateurs at their recent meeting were Barbara Smith and Jasper Allard.

BIRTHDAY PARTY

Art Granath celebrated his birthday recently. Bernice planned the party for him. They also observed their six months wedding anniversary.

LUNCHEON IN S. F.

Joan Woolsey and Nancy Miller had a grand time at a luncheon in San Francisco with Nancy's father, Edwin Miller and then went to the Ice Follies.

IN NEW HOME

Mr. and Mrs. Bob Grant moved into their home on Glorietta Blvd. Mr. Grant used to play major league baseball.

WEEKEND AT SAN JOSE

Mr. and Mrs. Beryl Wright and Sally spent a day recently in San Jose. Mr. Wright's brother, Cy Wright, of Oakland, took care of the Village Pharmacy while they were away. The family visited a very sick uncle.

TRAVEL NORTH

The W. G. Courtwrights and their two girls, Patty and Judy, of El Toyonal returned the end of last week from a trip up the coast to Vancouver and Victoria and across to Banff and Lake Louise. The T. D. Courtwrights, Mr. Courtwright's folks, went with the family as far as Victoria.

UNDERWOODS IN HAPPY VALLEY

Mr. and Mrs. Ramsay Underwood and Mrs. Elaine Massie, Mrs. Underwood's mother, recently moved into their home in Happy Valley. The Underwoods have two children, Sandra and Victoria.

GRANDSON'S VISIT

Mr. and Mrs. Tom Meaken are entertaining for a month their grandsons, Tom and Jimmy, while the latter's parents, Mr. and Mrs. E. C. Meaken, are on a business and pleasure trip in Europe.

18-DAY TRIP

Mr. and Mrs. J. C. Burke and Mrs. Burke's sister, Mrs. L. E. Platt, and husband from Portland enjoyed a 8 day motor trip south as far as Encinado, then north by way of Mohave to Reno, and back by way of Lake Tahoe to Orinda.

FROM SACRAMENTO

Mr. and Mrs. G. C. Brown are enjoying their grandchildren, Laurie and Darryl Korn from Sacramento for a two weeks visit.

ON LUXURY YACHT

Mrs. Deane Davis and her niece, Marilyn Brick of Los Angeles, returned from a 14 day cruise on the luxury yacht Corsair. They left Oakland port June 17 and landed in Vancouver June 30. They had a wonderful time although it was a rather rough trip. Mrs. Davis was her usual ingenious self arranging costume parties. Miss Brick went to Los Angeles but is coming back to spend some time here.

SURPRISE SHOWER

Mrs. Mort Inglis and Mrs. Robert Anthonisen entertained Tuesday at Mrs. Anthonisen's home with a surprise shower for Mrs. John Dorr. Sixteen guests were present at the luncheon.

Berkeley Office Explains Service To Job Seekers

The California State Employment Service — a component of the State Department of Employment — provides a placement service which reduces waste in job hunting and labor recruiting.

An employer's job order placed with the Employment Service of office gives him access to the greatest number of qualified job seekers. It also eliminates the need to interview large numbers of applicants for each job opening. The Berkeley office of the California State Employment Service is located at 2461 Shattuck Avenue.

CONSTRUCTION STARTED
Construction was started two weeks ago on the Allan P. James home at the intersection of Upper and Lower Happy Valley Roads. The lot is near the former Hannan property.

WONDERFUL VACATION

Mr. and Mrs. Walter Gibbons report a wonderful vacation time at Mt. Lassen, Crater Lake, the Oregon Caves and Wymouth Inn.

FLYING TRIP

Dr. Wayne Caygill returned recently from a flying trip to Madison, Wisconsin.

AWARDED PIN

G. S. Bower of 159 Moraga Highway, has been awarded a gold pin for his 20 years of continuous service with Standard of California the Company announced today. Mr. Bower was among the 112 employees receiving service pins during the month of July.

Leon Dinkin in Auto Accident

Leon Dinkin of Walnut Creek, one of the directors of the Lafayette Playshop, was injured Monday night in a head-on collision on Mt. Diablo Highway near Upper Happy Valley Road.

The two cars swerved simultaneously into the center lane of the three-lane highway and collided head-on.

Driver of one of the cars, Dinkin, 25, suffered a lacerated forehead and a knee injury and was held overnight at Herrick Hospital in Berkeley for observation.

Injured in the other car were Mrs. Mercy Forsburg, 47, of Berkeley, her son Frank, 21, University of California student, and a Japanese cook, Mitsuyo Furuya. Mrs. Forsburg suffered multiple lacerations of the forehead and scalp and possible rib fractures. Miss Furuya incurred face lacerations.

Frank E. Forsburg, the driver, was treated for cuts at the Herrick Hospital.

The accident occurred at 9:43 p.m. when the Forsburg car was heading toward Berkeley and Dinkin was driving to Lafayette.

Jack Manners Takes 2nd Place On Horse Baile

Jack Manners took his horse Baile to the Pleasanton competition recently to take second place in the \$625 Haviside stock horse stake.

A showman and rider of stock horses, Manners worked fast cattle as well as competing in the "dry" work in the class of 20. He showed Baile against such outstanding riders and horses as Ray Hackworth on Shiney Pants, the first place winner; and Lola Galli on Ponco, third place.

Perkins Here For Short Visit

Captain and Mary Perkins are spending their long anticipated return to Orinda for a visit. They were former residents on Ardilla Road, but business made it necessary for them to go to New York.

They bought a home in Liverpool, New York but hope some day business will bring them west and to Orinda permanently. Captain Perkins is with the sales department of General Electric in New York City.

Section of Road To Remain Closed

St. Mary's Road, from Burton's Station to St. Mary's College, will remain closed through July and August while the Central Contra Costa Sanitary District sewers for Section 5 are put in, according to John Mason, resident engineer.

Since there are no residences along this road, the supervisors and the county board approved the measure to close the road. Signs have been posted at all approaches to the road.

RETURNS FROM SAN DIEGO

Karl Goepfert returned recently from a five day conference of the State Employment Commission in San Diego.

Kenneth Rosenthal Married Recently In Long Beach

Kenneth (Pat) Rosenthal, son of Mr. and Mrs. Sidney K. Rosenthal of Manzanita Drive, Orinda, was recently married to Janet Vidal Loomis, daughter of Mr. and Mrs. John H. Loomis of Long Beach.

Janet is a graduate of Wilson High School in Long Beach and received her Bachelor of Science Degree in Business Administration at the University of California, this June.

Kenneth is a graduate of Acalanes and is now a Junior at the University of California, College of Engineering. He served three years in the Army Air Corps, during the war.

WEDDING IN LONG BEACH

The wedding was held recently at the All Saints Episcopal church in Long Beach.

Wearing an ivory satin gown, fashioned entrained, with finger tip length veil of illusion net, trimmed with heirloom lace, the bride was given in marriage by her father.

She carried a cascade arrangement of white orchids, split white carnations and stephanotis. Mrs. Herbert Loomis attended her sister-in-law as matron of honor and carried a bouquet of roses, carnations and stephanotis.

Bridesmaids wore blue. Mrs. Bert Hickman and Miss Etty Griggs, former roommates of the bride at U. C. were bridesmaids attired in pale blue crepe with bouquets of roses and carnations.

Lee Rulon, of Sutter Creek, served as best man while the ushers were Herbert V. W. Loomis and Edward D. Loomis, brothers of the bride.

Mrs. Rosenthal, mother of the groom, wore powder blue with a large leghorn hat trimmed with pink roses.

MAGNOLIA BLOSSOMS
The church was beautifully decorated with magnolia blossoms and each pew was decorated with a blossom.

Later, the reception was held in the garden at the home of the bride's parents.

After a honeymoon to Santa Barbara, Carmel and Tahoe the young couple returned and are making their home in Berkeley.

'The Winslow Boy' At Geary Theater

"The Winslow Boy," Terence Rattigan's famous international stage success, is now being presented at the Geary Theater, San Francisco, by the Theatre Guild, H. M. Tennent Ltd. of London and John C. Wilson. The engagement will continue until July 31 with performances nightly except Sunday, and Wednesday and Saturday matinees.

Five plays of the last few years have achieved the popularity of "The Winslow Boy" which ran 2 years in London and all last season on Broadway, winning the New York Drama Critics' Circle Prize as the best imported play of the year.

In alternate episodes of drama and humor the playwright, author of "O Mistress Mine" in which the Lunts starred, tells of a father who fights to clear the good name of his young son accused of theft. "The best play England has sent us this year" wrote Brooks Atkinson of the New York Times while the critic of the New York Herald-Tribune pronounced it "witty and moving." According to the reviewer of the Toronto Globe and Mail the play possess "human warmth, gentle laughter, emotional impact."

Mail orders for any performance may be sent to the Geary Theater and should be accompanied by a self-addressed, stamped envelope to insure return of tickets. San Francisco critics are unanimous in pronouncing both play and performance of the most distinguished theatrical event of recent seasons.

Drive carefully — save a life.

Virginia Hammond Reports on Styles

Virginia Hammond returned last week with a report on the latest styles after a few days in Los Angeles for Market Week.

She stated the styles are smarter — about the same length, but with a slim look with fullness in back. The extreme look of last year has been modified. Suits are again more tailored with slim

skirts, Miss Hammond added. "For casual and sportswear, gabardines, a few soft wools, and lots of skirts and blouses and sweaters were shown."

"For after 5 p.m., the styles are very dressy and feminine with loops of taffeta, brocaded taffeta and satin in all of the newest fall shades," Miss Hammond pointed out.

"High shades are heavily stressed for fall, such as sapphire blue, red, green, grey cocoa and black."

"Hats are very feminine and shaped with feathers. Evening wear is quite formal with lots of satins and taffetas in decolette styles," Miss Hammond said.

Lost Cat Home After Trying Wait

Lost, strayed, or stolen. Things looked bad for five days while the Siamese Cat of Captain and Mrs. James D. Jordan was missing. The Jordans placed pictures of the cat with signs on many of the local stores.

And then on the fifth day the cat walked into the Jordan home on Orinda Highway all by herself.

To make the period of waiting even more trying, the cat belonged to Captain Jordan's mother and was entrusted temporarily with the Jordans for safe-keeping.

Church's First Minister Visiting in Oakland

Orinda Community Church's first minister, Mr. Miles Fisher, and his wife from Claremont, Los Angeles County, are spending a few weeks with friends in Oakland.

They gave their friends of the church a happy surprise last Sunday by their attendance at the morning service. They expressed delight at the charm of the new little church, its situation, and at its acquisition of its first pipe organ.

Sanitary District Move Into Building Delayed

The Central Contra Costa Sanitary District expected to move into its new building in Walnut Creek by August 1, but expects a delay due to the strike of electricians, according to John Mason, resident engineer.

Phone or write us your news: Orinda 2118 or P. O. Box 147; or Lafayette 4452 or P. O. Box 806.
